2: Patient consent

I understand that my medical scheme and Momentum Health, the Administrator, will maintain the confidentiality of my personal information and comply with the Protection of Personal Information Act 4 of 2013 (POPIA) and all existing data protection legislation, when collecting, processing and storing my personal information for the purposes of registration on the Renal Care Management Programme.

I understand that:

- Funding for this benefit is subject to meeting benefit entry criteria requirements as determined by the Scheme.
- The benefit provides cover for therapy scientifically proven for my condition, which means that not all medication for the condition will automatically be covered.
- By registering for the benefit, I agree that my condition may be subject to disease management interventions and periodic review and that this may include access to my medical records.
- Funding will only be effective once the Scheme receives an application form that is completed in full.
- Payment to the healthcare professional for the completion of this form, on submission of a claim, will be subject to the Scheme rules and where the member is a valid and active member at the service date of the claim.
- I agree to my information being used to develop registries. This means that you give permission for us to collect and record information about your condition and treatment. This data will be analysed, evaluated and used to measure clinical outcomes and to make informed funding decisions.
- To ensure that we pay your claims from the correct benefit, any claims from your healthcare providers must include the relevant ICD-10 diagnosis code(s). Please ask your doctor to also include the relevant ICD-10 diagnosis code(s) on the referral form for any pathology and/or radiology tests. This will enable the pathologists and radiologists to also include the relevant ICD-10 diagnosis code(s) on the claims they submit, thus further ensuring that we pay your claims from the correct benefit.

2: Patient consent (continued)

Consent for processing my personal information

1. I hereby acknowledge that my medical scheme has appointed Momentum Health (Pty) Ltd as the administrator of the programme and that any prescribed medical treatment shall be the sole responsibility of my medical practitioner. I understand that the information provided on this form shall be treated as confidential and will not be used or disclosed except for the purpose for which it has been obtained.
2. I hereby give my consent to the Scheme, Momentum Health and its employees to obtain my, or any of my dependants', special personal information (including general, personal, medical or clinical), whether it relates to the past or future (e.g. health and biometric) from any of my healthcare providers (e.g. pharmacist, pathologist, radiologist, treating doctor and/specialist) to assess my medical risk, enrol me on the programme and to use such information to my benefit and to undertake managed care interventions related to my chronic condition(s).
3. I understand that this information will be used for the purposes of applying for and assessing my funding request for chronic benefits.
4. I give permission for my healthcare provider to provide the Scheme and the administrator with my diagnosis and other relevant clinical information required to review and process my application.
5. I consent to the Scheme and the administrator disclosing, from time to time, information supplied to them (including general, personal, medical or clinical) to my healthcare provider, to administer the chronic benefits.
6. Whilst Momentum Health undertakes to take all reasonable precautions to uphold the confidentiality of information disclosed to it, I am aware that the Scheme and my healthcare provider (where necessary) shall also gain access to the same information. I shall therefore not hold Momentum Health and its employees or the Scheme and its trustees, liable for any claims by me or my dependants arising from any unauthorised disclosure of my special personal information to other parties.
7. I understand and agree that special personal information relevant to my current state of health may be disclosed to third parties for the purpose of scientific, epidemiological and/or financial analysis without disclosure of my identity.

I hereby certify that the information provided in this application is true and correct.
